# Zn Check

CHELATED MICRONUTRIENT FERTILIZER

ZINC EDTA 12.00%

Multiplex Zn Check contains Zinc-Lysinate a broad spectrum crop micro-nutrient fertilizer that works in an extreme range of soil pH (acidic 4 and alkaline 9). Multiplex Zn Check is a natural amino acid chelate is an example of state-of-the-art technology, specifically developed for better micronutrient use efficiency. Multiplex Zn Check is readily water soluble, plays a significant role in enzyme activation, ion homeostasis, hormone synthesis, increases plant resistance against disease, increases rate of photosynthesis, cell membrane integrity, protein synthesis, stem elongation, pollen formation and enhance the level of antioxidant enzymes, helping plants withstand biotic and abiotic stresses, including disease pressure. By correcting zinc deficiencies effectively and sustainably, Multiplex Zn Check supports overall crop vigor, improved quality, and higher productivity, making it an ideal micronutrient solution for a wide range of crops and agro-climatic conditions.

## DIRECTION FOR USE

**Foliar Spray:** Dissolve 0.5 g to 1 g in one litre of water and spray on both the surface of the leaves. We recommend foliar application during the beginning of Vegetative stage/ flowering/ fruiting/ during incidence of Zinc deficiency in the crop.

**Soil Application:** Mix Multiplex Zn Check 500 g with Multiplex Green Phosphorus/ Green Potash/ NPK fertilizers/ Bio stimulants during Sowing/ transplanting/ earthing up.

**Fertigation:** Multiplex Zn Check can also be used for drip irrigation with a recommended dosage of 500 g per acre. We recommend for drip irrigation during beginning of flowering/ fruiting of the crop.

## BENEFITS OF MULTIPLEX Zn CHECK

- ◆ This innovative product is free from EDTA.
- ◆ Non-hazardous and Non-toxic in nature with added amino acid nutrition benefits.
- ◆ Effective in both acidic and alkaline soil
- ◆ It is an essential micronutrient can be used for all crops.
- ◆ Improves the yield both by quality and quantity.

**Available Packing: 100 g, 250 g, 500 g & 1kg**
